

WREXHAM GLYNDŴR UNIVERSITY - ACADEMIC YEAR 2021/22

The University operates within a two semester framework. Each semester consists of allocated weeks for teaching and University examinations and reflects the weeks when students are usually expected to be attending classes or engaged in other direct contact learning hours. This is then followed by block weeks for assessment board processes to determine students' progression and award outcomes. Not all students or staff will have direct teaching during the summer period, which may be for teaching, assessment, dissertations or holidays, depending on the programme.

Students at partner institutions should refer to their local provider for details of the academic year.
